

Examples of orientation

Below are three examples of orientation. You will notice that Example 1 focuses on just two components of the 5C model; Example 2 focuses on four components of the 5C model; Example 3 focuses on all five components of the 5C model.

Example 1	Example 2	Example 3
This orientation may take place on the teacher's first day of duty.	This orientation may take place during the holidays prior to the beginning of the school year/term.	This orientation may take place on a school day during previous year/term or first day at school to see the school in action.
<ul style="list-style-type: none"> • Meeting with principal and supervisor • Provided with school policies and procedures • School tour • Informal introductions to colleagues, support and administration staff 	<ul style="list-style-type: none"> • Meeting with principal and supervisor • Provided with school policies and procedures • School tour • Introduction to key induction personnel • Planning time with key induction personnel 	<ul style="list-style-type: none"> • Meeting with principal and supervisor • School-based induction processes explained • Provided with school policies and procedures - key policies and procedures identified. • School tour • Introductions to, and planning time with colleagues, support and administration staff and key induction personnel • Introduction to students • Observe lessons
